ESSENCE

A composite image featuring two views of the woman in the teal saree. The larger view on the left shows her from the front, leaning against a stone pillar. The smaller view on the right shows her from the back, highlighting the back of the blouse and the saree's border. The text 'KAVIRA Ethnic Wear' is at the top, followed by 'ETHNIC', '1605' in a decorative box, and 'ESSENCE' at the bottom. The entire composite is set against a light background with a subtle diamond pattern.
